TECHNICAL SERVICES

Our Standard Maintenance Package offers a high-quality preventative maintenance solution under a clear and straightforward contract. This ensures that your specified equipment and installations receive the necessary care and upkeep. Any work beyond the scope of the contract is billed separately, allowing for complete transparency. With this package, clients benefit from access to our Call-Out Service, Service Repairs, and a variety of additional services. Keep your property in peak condition year-round with our reliable annual maintenance package.

Luxe Homes Technical Services delivers integrated, high-quality solutions that are tailored to enhance your core operations and consistently exceed expectations. Our expertise extends to both indoor and outdoor spaces, where we specialize in transforming gardens and ponds into serene, visually stunning environments. Elevate your outdoor space into a tranquil oasis with our comprehensive, in-house garden design and maintenance services. At Luxe Homes, we are dedicated to creating harmonious and customized landscapes that perfectly complement your property.
